Seems odd to talk about smooth skin when this weather has been spoiling everybody's hands, making them rough and unsightly. But we have helped a lot of people to keep their hands smooth, well and comfortable, no matter how badly they were chapped before. It only takes a few words to tell you the secret—it's

### Mrs. Susan Miller Hisle.

The following item is taken from the Methodist Advocate and we reprint it even at this late date for the reason that a large number of friends and relatives of this most excellent christian woman are readers of the Climax both in this State and elsewhere and may not have seen the item.

Mrs. Susan Miller Hisle died at the home of her daughter, Mrs. C. F. Chennault, near Richmond, Ky., Thursday afternoon, the 24th of October, 1912. Her death was very sudden and resulted from heart trouble. She was in her usual health, and had spent a pleasant day with her family, she was preparing to attend divine services with a friend; the weather was ideal and she had just walked into the yard, where she was found about fifteen minutes later—life being extinct. There had been evidently no suffering; she sat half reclining against the house, still holding her spectacles in her hand. She was 62 years old on the 2nd of August last, and was an exceedingly handsome and well preserved woman, and a devoted member of the Methodist church, where she was a regular attendant. Her work for the Master's cause will be sadly missed. She seemed to live to do good deeds and to minister to those in distress. She could easily have been a star of the first magnitude in the world's fashionable society, but she preferred to let the light of saving truth shine through her life that the wanderers in darkness and sin might find the way to God and Heaven. She loved her church, its simple service and old-fashioned songs. Her bright face which was always an inspiration to her preacher will be seen no more in the congregation on earth. We can hardly become accustomed to her absence there; and it is harder still to think how she will be missed in her family where she has long reigned the queen of all hearts. Only God knows what her absence means. Many will listen in vain for the foot-fall that told of her coming and dream that they hear the voice that so often soothed and cheered, but will awake to find it was

but a dream. They will look in vain for the face illumined by the trusting soul within. But there is comfort for them, and for us all. She surrendered her body to death, but in that very moment her redeemed soul was freed, and is now enjoying the presence of the Lord.

The procession that followed her remains to their last resting place was the longest seen in Richmond for years—at least to some extent, the love and esteem our people had for this godly woman; but the thought of her triumphant departure causes our tears to cease, or if not, let us in sweet submission look up to that fairer world where she has gone to be forever with the Lord.

In every home we see the footprints of death and feel the blighting chill that he has left behind, but when his fatal shaft struck our beloved sister, multitudes of hearts were wounded and a cloud of grief o'erspread the entire community. Her sunny spirit, her intense interest in people and affairs constituted a charming personality whose magnetic force drew to her many friends who today mingle their tears with ours and share in the common grief.

What though the curtain darkly falls And hides our friend from loving view; What's the eclipse where she abides We know her loving, loyal and true.

Her hands were ever filled with gifts. Her coming brought a note of cheer: We know she lives in Paradise. But, Oh, we sadly miss her here.

The pearls gates were opened wide, To welcome her the angels stood, A white soul waited from the earth, A soul redeemed, all pure and good.

Dear friends from every walk in life, Brought flowers for her hallowed grave, And autumn's brilliant sun o'er all A flood of glory seemed to wave.

We were not there to say farewell, Nor will we count our treasure lost Sweet commune still with her we'll hold, Nor count the tears our parting cost.

For all events are garnered grain, If we God's laws but understood, And days of care and nights of pain, And death and sorrow work for good.

### Richmond Man After It.

An applicant for the Eighth district Internal Revenue Collectorship, who has not figured much in the public eye, but is nevertheless said to be right smart in the running, is John Gibson, of Richmond. Mr. Gibson, who is one of the best known and most active Democrats of Madison county, has strong backing for the place, and his friends regard him as a formidable applicant and say that whoever beats him will be the Collector at Danville. There are over a score of applicants.—Louisville Times.

Plenty of Oats and all kinds of feed seeds at attractive prices. See us before buying.

### Ninth Grade Girls Won.

In an interesting game of basket ball at Caldwell High School Thursday night the Ninth Grade Girls defeated the Eighth Grade Girls by a score of 9 to 8. The game was a fast one from beginning to end.

### Mr. Todd Sells Two Residences.

Mr. J. A. Todd, of the Todd-Taylor Lumber Co., has sold to Ex-Congressman D. C. Edwards, of London, two nice homes in the East End of the city for \$7,200. They are already rented.

### Press Boys Strong For Beckham.

If surface indications afford any guide, the Democratic country press is more united in support of Mr. Beckham for United States Senator than it has been for many years behind any candidate for a Democratic nomination. One of the State newspaper men stated yesterday that, after a careful canvass, he had found only five out of the fifty Democratic editors present who were avowedly anti-Beckham, and, while a few were non-committal, more than two-thirds were outspoken in their support of the former Governor.—Louisville Post.

### Keep "Open House" For Horses and Mules.

"Open house" for the horses and mules of Evansville, Ind., owned by poor people was kept Wednesday by Adolph Melzer, a wealthy soap manufacturer. This is believed to be the first entertainment of the kind ever given. The horses and mules were given a free feed and the owners who brought them to the "Friendly Inn" were served with ham sandwiches and coffee. Mr. Melzer, who is known as the friend of the dumb animals, says he will make this "open house" stunt an annual event.

### The Parcels Post.

The parcels post system, of which we have talked and read so much, is now in vogue and big packages are being sent through the mails at a very small cost. It is stated that a brick manufacturing firm up East sent a thousand brick samples of its work on Jan. 1st, to prospective buyers all over the country. Cashier R. E. Turley, of the State Bank & Trust Co., was the first patron of the new system in Richmond. He sent the inner tire of his auto to Cincinnati at about the price he would have had to pay to get a boy to take it to the depot and express it. Among the articles that passed through the Richmond office that first day the system was inaugurated, was an eight-pound package of sausage from a Nicholasville person to one at Berea.

The best of everything for the black cake, all fresh and new.

Main Street Grocer.

### Lucky Escape.

The belt on the governor of the engine used at the Richmond Lumber Co.'s plant slipped off Thursday and the engine "ran off." The fourteen-foot fly wheel was running at a terrific rate of speed that the engine pulled loose from its moorings and knocked out a portion of the end of the building. It was finally stopped by the fireman, who cut off the steam at the risk of his life. It is remarkable that nobody was hurt and that more damage was not done the building.

### PAINT LICK ITEMS

The following program was carried out at the dedication of our school building Saturday:

Welcome—Prof. G. L. Waterbury.  
Address—Judge Lyman Chalkley, of State University.

Recitation—Mrs. Arnola Ramsey.  
Song by Prof. J. W. Ireland, of Stanford.

Address by T. J. Coates, Supt. of Rural High School of Kentucky.  
Address by Dr. Jas. McKee, of Versailles.

Address by Rev. F. M. Tinder, of Lancaster.  
Recitation by Miss Cleone McWhorter of Manse school.

Supt. John Noland was not present. Prof. Grinstead, of the Richmond Normal, was present and gave us a good talk. All the addresses were of a high order and enjoyed by all.

The dinner was abundant and first-class. Our community is to be congratulated on having such an institution of learning in our midst. We can prepare our boys and girls at home for college.

### Rooms For Rent.

Rooms for rent in Collins building. Modern improvements. Lady tenants preferred. Apply to N. B. Deatherage.

### Splendid Pictures.

The three-reel feature, "Star of Bethlehem" shown at the Opera House Tuesday night was indeed a feature. The pictures were clear and good and the acting was superb. The orchestra played appropriate music and the very large crowd enjoyed to the fullest extent the good program. On Thursday night another three-reel feature was given. This was the "Auto Bandits of Paris," a very thrilling picture in detail of the many thefts and murders committed by the band which baffled the police for a long time, but whose members were finally brought to pay the penalty of death. In this connection it might not be out of place to say that at the opera house the first performance is never over until the curtain goes down. Manager Baxter gave five reels Thursday night and some left at the end of the third and many at the end of the fourth reel, thus seeing only a part of the show.

## First Count January 11

At 4 O'clock P. M.—\$10.00 to Be Awarded to the Leading Lady—Get Busy.

Great Interest Centering on First Count Which Will Show the Standing of Each Contestant—Will You Be First and Get the Gold?

As the time grows nearer for the first count many are getting anxious to know who the lucky contestant will be. The ballot box will close promptly at 4:00 p. m., and the judges will proceed to count the votes and award the \$10 in gold to the contestant who has the largest number of votes.

The time—Saturday, January 11, the ballot box will close for the first count of the contest.

The place—The Climax Office.

The girls—are playing before many audiences just at present and the performances will be kept up until the ballot box closes for the first count Saturday, January 11, at 4 o'clock p. m.

The voting contest is something like another election—you can vote and tell who the winner will be until the final count. Sometimes the last is first and the first is last. There are liable to be some "dark horses" in this race who are not making much noise or saying much; they have been too busy getting votes.

Of course if you win this special prize of \$10 in gold your votes will count on the piano and other valuable prizes, at the close of the contest. This is only done to get everybody started and to repay them for getting these votes. But remember you are getting your votes away up in the thousands and you will be better off when the final lap of the contest is started.

For every seven new subscriptions 4,000 extra votes, making a total of 8,000.  
For every seven renewal subscriptions 3,000 extra, making a total of 6,500.  
For every seven back subscriptions 2,000 extra, making a total of 4,800.

Good until the first count, Saturday, January 11. Ballot box closes at 4:00 o'clock p. m. Coupons must be brought to this office and checked in order to get bonus.

Remember to have your friends trade with the merchants giving coupons.  
The following names have been suggested to act as awarding committee and count the ballots, and if no objections are offered they will constitute the committee:

John W. Crooke, Cashier Citizens National Bank.  
R. R. Burnam, Cashier Madison National Bank.  
R. E. Turley, Cashier State Bank & Trust Co.

**DOUGLAS and SIMMONS**  
Hardware, Tinware, Stoves and Farming Implements

We want to thank you for the very liberal patronage you have given us during the year past and wish you a pleasant and prosperous New Year. May it be the most successful and satisfactory of the many you have experienced.

Our business relations have been most pleasant and it is our earnest desire that they remain so.

We are inaugurating a thirty-day system this year and want you to aid us in making it a success. We believe it will be more satisfactory to you and it will be better for us both. In fact we can do business on less capital when all of our accounts are collected on the first of each month and we will be enabled to make you even closer prices. The city houses give us but thirty days and hence we have to pay out the money long before we collect it in the old six-months' system.

We hope that this move will meet your approbation and that you will see your way clear to continue to deal with us and give the pay-first-of-each-month system a fair show. Thanking you for past favors and soliciting a continuance of your appreciated patronage, we are,

Very truly yours,  
DOUGLAS & SIMMONS.

### State University News.

Beginning Jan. 6th the Agricultural College of State University will give its annual event of "Farmers' Week." This meeting will be composed of the Kentucky Corn Growers' Association, the State Swine Breeders' Association, the State Horticultural Society, the Sheep Breeders' Association, the Kentucky Dairy Cattle Club, the Kentucky Beef Cattle Breeders' Association and the Horse Breeders' Association. There will be brought together not only the leading farmers of Kentucky, but also men of National fame. Among the speakers of other States will be Prof. G. Williams, of the Ohio State University, Dr. Cyril C. Hopkins, of the University of Illinois, S. E. Morton, a noted swine breeder of Camden, Ohio. Prof. Kleinburg, of Wisconsin, who will address the Sheep Breeders' Association, and W. W. Farnsworth, of Waterville, Ohio. Prof. F. H. Ballou, of Newark, Ohio, and Mr. O. S. Hassel, who will lecture along the lines of Horticulture. The addresses delivered before the Dairymen's Convention will be those delivered by Prof. Oscar Erf, of the Ohio State University, and Prof. L. D. Hall, of the University of Illinois. The Dairy Show will be held throughout the week. Very liberal premiums have been provided for both of these shows. The Dairy Show will be judged by Prof. Helmer Rabild, of Washington, D. C. Much time and expense has been used in bringing together some of the best talent of the country, and good crowds are expected. A reception and a banquet will be given some time during the week at the Phoenix Hotel by the Kentucky Experiment Station in honor of the members of the various organizations.

The short agricultural course of ten weeks, or lasting until the middle of March, is being watched for a greater attendance than ever before in its history. Kentuckians are beginning to realize the importance of agriculture and the scientific methods of farming and are reaching out in those branches to such an extent that it is hoped that within a few years our old State will rival the places reached by the other great agricultural States of the country. The fact that an agricultural course pays, has well been demonstrated by students who have graduated in agriculture and have gone out and made a success in the work in which they are well equipped and capably and efficiently fitted.

### Big Damage Suits Against Editor Alverson.

Editor J. M. Alverson, of the Anderson County News, and formerly a resident of this city, has been sued for damages by Wilkes H. Morgan, county judge, and Frank L. Rippy, county attorney of Anderson county. Each asks for damages in the sum of \$50,000 each, the suits growing out of articles in the News, bitterly attacking the county officials and fiscal court of Anderson. Editor Alverson has had some scathing articles on the gentlemen who ask damages and it remains to be seen whether or not there were grounds for the charges he has been making for the past six months. The damages do not state what attorneys Editor Alverson has engaged to represent him but we will wager that he will fight the case to the bitter end or in the language of the lamented Goebel, "to the last ditch." Attorneys Edwards, Ogden, Peak and Col. Bennett H. Young, of Louisville, and Willis Todd, and Bond, of Shelbyville, will represent the plaintiffs.

### "The Servant In The House."

There is a strain of metaphysics in "The Servant In The House," this remarkable play which is to be presented at the Grand Opera House on Jan. 23 by Victor E. Lambert and his associate players, which Merle H. Norton has banded together as the greatest work of actors ever sent out of New York. It may be said to preach a gospel somewhat akin to Christian Science when Manson, the Christ-like figure, tells Mary that "everything comes true if you wish hard enough." And when Robert, the drain-man, the great rough man who dominates so many of the scenes of the play, tells her that he doesn't believe in "no fairy tales like that," she replies, "I don't believe there's anything else in the world if we only know." And that's why I'm wishing now." "I'm wishing hard." Then it is that the Drain-Man makes reply, "So am I, Gawd 'elp me!"

The Kentucky State Board of Health, in its recent reports, estimated there are in Kentucky 20 cases of cholera. Why don't they use Smith's Lung Tonic? Price \$7.00 per gallon. Listen to this statement:

"My daughter was ill for about five years with consumption, we were told she wouldn't live three months. When we commenced the use of Smith's Lung Tonic, she began immediately to improve. She used one gallon and was entirely cured. We had used a number of other things without a success. I cheerfully recommend this medicine as one of the best medicines I ever used in my family."

JUDG W. H. BLANTON, Jackson, Ky., Feb. 13, 1908.

Philip Barnard, New Philadelphia, Ohio, states: "I had three specialists to treat my wife; they told me she had tuberculosis or consumption and could not get well. I had used numerous remedies before I sent for the specialists; finally as a last resort, I sent for a gallon of Smith's Lung Tonic. She is now well and has been since December 1911."

Smith's Lung Tonic is just like Smith's Liniment, 40 years test has proven this liniment the best. Who doesn't like the man who has never tried it? Manufactured by T. B. Smith Medicine Co., Lexington, Ky. In the retail of every body at \$7.00 a gallon. Advertisement. 23-1f

### Deals In Real Estate

J. H. Baughman, of Stanford, sold Atlanta, a carload of mules at \$225.

T. M. Morton, of Shelby, killed a hog weighing 650 pounds. It produced 10 pounds of fat.

At Mt. Sterling R. P. Hopkins, near Little Rock, bought a pair of mules for \$125.

W. O. Anderson, of Paint Lick, Monday to N. W. Rogers a pair of year-old mare mules for \$450.

A school fair and corn show will be held in Flemingsburg January 18. An interesting programme is being arranged.

More than 10,000 turkeys, geese, ducks and chickens included in the Christmas stock of five commission houses, were destroyed in a fire at Minneapolis, Minn.

O. R. Rankin, of near Millersburg, sold the past week to McIntyre & Moffett, of Millersburg, 78 head of cattle, averaging 1,350 pounds, at 7-1-2 cents.

Walker Coats sold 17 shoats, averaging 106 pounds, to John W. Webb at 7 cents. F. T. Logan has purchased 25 hogs averaging 60 pounds from George D. Potts at \$6.25.—Advocate.

J. F. Cook, of Lexington, bought of M. A. Phelps, of this county, one two-year-old and one three-year-old jack. Both are well-bred animals and they brought a good-sized sum.

Schoberth & Willis shipped last week to Cincinnati 150 hogs, weighing from 100 to 220 lbs., bought at 6-1-2 to 7c a lb., also twelve cattle, 200 to 1500 lbs. each at 2c to 6c.—Woodford Star.

T. D. Chennault, Jr., sold Monday to Bright & Fox, of Danville, 20 mules, three to six years old, for \$4,150, being an average of \$207.50. A. K. McCowan sold to same parties four mules for \$875.

Lady Dore, a great brood mare owned by W. O. Walker and R. S. Scudder, of Lincoln county, died last week. The gentleman paid \$800 for her last fall, and she was heavy with foal to Bohemian King, which foal had been sold to Allen Edelin, of Mercer, owner of Bohemian King, for \$300.

W. H. Shanks and Matt Myers shipped to Columbus, Ga., a bunch of 28 mules which they placed on the market there. These mules were bought some 90 days ago and have been fed. They range in age from three to five years and cost their owners an average of \$175, and will bring them good money as the stock market is looking up all over the South, owing to the advance in cotton.

Charles Lutes ran up from Goldsboro, N. C., last week and bought a handsome pair of show mules from Col. S. T. Harris for \$700. He is doing a big business in the South and is finding an active demand for high-grade Kentucky hybrids.—Stanford Interior Journal.

"The completed statistics of Boys' Corn Club reports are going to show," said Commissioner of Agriculture J. W. Newman last week, "that about 500 of them have succeeded in producing an average of seventy-five bushels of corn to the acre on all sorts of land in all parts of the State. The average yield an acre for Kentucky farmers is twenty-five bushels. If the farmers inquire how the boys accomplished this they will discover among other things that the boys plowed their ground eight to ten inches deep. My observation is that the average farmer plows two or three inches deep. It takes stronger horses to plow deep, but the returns justify the investment in better horses, as the Boys' Corn Club figures will show. They have shown what can be done on Kentucky land. If a farmer will emulate their example and raise twice as much corn on ten acres as he has been raising on twenty, at approximately half the investment, and certainly not as much labor, it will help pay the State's debts and multiply the material wealth of the Commonwealth."

### Notice In Regard To Price Of Gas.

On and after January 1, 1913, the price of gas will be as follows:

For the first 5,000 cubic feet, \$1.50 per 1,000 cubic feet, less discount of 25 cents per 1,000 if paid on or before the 15th of the succeeding month.

For all gas used each month above 5,000 cubic feet, \$1 per 1,000 cubic feet. The reason for this is two-fold:

First, the company has to furnish, maintain and read a meter for every customer, and this is a cost of doing this is the same whatever the amount of gas used. But the relative cost is less in proportion as the amount of gas used is greater. The company can therefore afford to sell a greater amount of gas at a less rate than a small amount.

Second, the company hopes that this reduction in price will lead to a greater use of gas for both domestic and commercial purposes. If it does these, this reduction will probably be followed at some future date by a still further reduction.

Gas arcs for commercial lighting will be furnished free by the company and maintained just as usual.

Gas stoves, heaters and fixtures will be sold at cost by the company. \$5 down and \$1 per month.

The saving to the consumer by this arrangement may be seen by the following comparisons:

Detroit Range No. 1812, catalogue price, \$25, or price \$18.

Gas Water Heater No. 9, catalogue price, \$15, or price \$10.

Reflex Gas Inverted Burners, catalogue price, \$2.50, or price \$1.50.

Bath room Gas Heater, catalogue price, \$5, or price \$2.50.

The company can not afford to furnish and maintain a gas meter for less than \$12 a year. Hence consumers must pay this amount for gas per year, whether used or not, otherwise the gas will be shut off and the meter removed.

### Should He?

During a discussion of the fitness of things in general, some one asked: "If a young man takes his best girl to the grand opera, spends \$5 on a supper before the performance, and then takes her home in a taxicab, should he kiss her good night?"

An old bachelor, who was present, replied: "I don't think she ought to kiss him. It seems to me he has done enough for her."

#### Exit Senator Bailey.

Do our eyes deceive us? Or has Senator Bailey of Texas really resigned? He has been threatening off and on to do so until it had become almost as much of a joke as Sarah Bernhardt's farewell tour of America. It looks now, however, like he has really "gone and done it" and that he has been "cloned by the appointment of a successor who is a newspaper man, R. M. Johnson, of the Houston Post.

The Senator sang his "swan song" in the Senate the other day, but it was neither entertaining, instructive nor creditable. The fact is that Senator Bailey has long been out of joint with the Democratic party and it is well that he should have been removed from the scene of action, even though he was the brains of the House of Lords. Suspicion as to his connection with the Standard Oil Company and jealousy of Bryan seems to have been his undoing. He thought he should have been nominated by the Presidency when Bryan was threatened to resign his seat in the Senate, but because he could not subscribe to some of Bryan's "populist views" as he termed them. He afterwards reconsidered and made speeches in the campaign though he never referred to the candidate.

Sensor Bailey is a man of parts, but he is badly balanced, ill-tempered and egotistic to a marked degree.

#### Rather Farical.

THE suit for \$100,000 damages brought by the county judge and county attorney of Anderson against Editor Jesse M. Alverson, of the Anderson County News, for alleged libel, as to their official acts, which was published in his paper, smokes very much of farce comedy. The amount and the array of counsel as long as your arm give the matter the appearance of a huge bluff, which Mr. Alverson will doubtless call if he is fortified by facts, as he should be, when making any kind of a charge. If the case would have been more impressive of their innocence to have had Editor Alverson indicted for criminal libel. We know nothing of the case and have no opinion in the premises, but we are very sure that Mr. Alverson, who is a Richmond boy, thinks at least that he stated facts.

## XMAS IS OVER

The old year has been numbered with the past, but the New Year holds many bright prospects for us all. We have enjoyed a good business in the years that are gone, but we hope for even better in this good New Year 1913. We depend on our friends to make it go. Thanking you for your loyal support in the past and asking for a liberal share of your patronage in the New Year 1913, we are gratefully yours to serve

## RICE & ARNOLD The One Price House

THE MADISONIAN, Mr. Grant E. Lilly, editor and publisher, made its appearance yesterday and is a most creditable publication. It is a well printed six column quarto and contains much news of interest to the public. In his "greeting" Editor Lilly speaks very complimentary of his competitors here and pledges his efforts to promote the good feeling now existing among them. His salutatory has the right ring and is just what might have been expected from the high-class gentleman Mr. Lilly is. We wish him success in his undertaking and tender to him anything in our office he may want. Like the omnibus, there is always room for one more in the Madisonian and its editor a liberal share of the patronage of the best people on earth.

RESOLVED, that in 1913 we talk less and think more; that we will endeavor to extract the good out of life and build with that and ignore the evil; that we will recognize that life is a series of habits, and that we will endeavor to form such habits that will aid and not retard our advancement; that we will get a better perspective of material affairs, and relegate them to the place in life they deserve, and not endeavor to serve mammon first and God second; that we will be good humored always.

A great crowd gathered in the Senate to hear Senator Joseph W. Bailey make his farewell address to his colleagues. His effort was an attack on the "initiation" and referendum, but he injected many other subjects into his vitriolic address. He spoke for over four hours and took a crack at creation generally. Barring its bitterness it was a masterpiece.

A SPECIAL session of Congress will be called by the new President "not later than April 15th," when the democratic mill will begin to grind out such legislation as is thought to be for the best interests of the country. Tariff changes will probably be the most important thing to come before the extraordinary session.

CARL BARKER, of New Haven, Conn., was a patriotic sort of a son-of-a-gun. Because his wife said the hated America wanted to go back to Italy, he shot her to death and then killed himself. His dying words were: "Love the country you live in."

THE plant of the Frankfort State Journal office was gutted by fire which started in the bindery on the third floor. The loss is between \$35,000 and \$45,000 and is partially covered by insurance. Our sympathies are extended to the owners in their time of trouble.

THE Breathitt News and the Jackson Times have consolidated and the News will be no more. Ryland C. Musick will continue as editor of the Times, which he is making a mighty good paper.

ALASKA's commerce between the United States and foreign countries for the last year aggregated \$62,000,000. Quite a nice little sum for that "useless foreign strip of country" that your Uncle Sam paid \$7,200,000 for.

UNCLE SAM's nine hundred boarders at the Federal prison in Atlanta made 'way with ninety-eight large, fat turkeys for Christmas dinner. Many of them no doubt far better than they would have had at home.

THE meanness man yet discovered lives in Richmond, Va. He made his wife pay his poll tax and then voted against woman suffrage.

PRESIDENT-ELECT WILSON will prove an efficient cabinet maker, even if he has had little or no experience with the hammer and saw.

COUNTERFEIT \$20 bills are said to be in circulation. Pass a few around. Imitation of money is better than none.

The building will be made longer and a mirror screen installed. The order is placed for electrically operated ventilating equipment and a new and up-to-date furnace. The cost of the improvements will be between \$4,000 and \$5,000, and the gentlemen who get the Alhambra secured a good lease on the property and the town will be sure of a first-class picture theatre for a good many years.

Mr. Oldham wishes to assure his former patrons of his appreciation of their patronage and say that the good will of all connected with the Alhambra to that, is extended the Alhambra to be, the one that will be greater and better than Richmond could have even wished for.

NORMAL NOTES. On New Year's afternoon Sullivan Hall was the scene of a pleasant reunion given in honor of Prof. and Mrs. Keith, the faculty bride and groom whose wedding took place in Colorado, Texas, during the holidays. Dr. and Mrs. Crabbe, Mrs. Rook and Prof. and Mrs. Keith were the receiving line and gave a cordial welcome to the guests whose number included the faculty, their friends and families and all the students. Light refreshments of tea, chocolate and wafers were served under the direction of our starlet of the department of Domestic Science.

It was the privilege of Eastern to hear on Friday evening a most interesting lecture on the Montessori system of education, by Miss Ward, Superintendent of the Kindergarten Work in the Iowa State Normal at Cedar Rapids. Miss Ward has been associated with Dr. Montessori in her work in the City of Rome and was able to give a clear and full account of her methods as practiced in the schools of that city.

The Euclid Male Quartet assisted by Mr. O. W. Beaser, a reader of exceptional merit, will give the 2nd number of the regular lecture course in the chapel Saturday evening, Jan. 11th, at 8 P. M. This group of young men has been five years on the concert platform, and their team work, the result of long experience together, is unusual. Their repertoire is extensive and varied, ranging from folk songs and plantation melodies to classical selections, both secular and varied. The company carries a very large set of organ chimes upon which they play with unusual skill, a most interesting feature of the entertainment. Tickets on sale at Middleton's and Perry's. Single admission, fifty cents.

Golden Gary, aged ten, of Boyle county, had an arm blown off by the explosion of a dynamite cap with which he was playing.

The C. S. Cotton farm of 103 acres, five miles from Paint Lick, was bought by Floyd Curtis at \$95.

Unable to reach a verdict after deliberation covering three days, the jury in the case of Fletcher Deaton, charged with conspiracy to cause the death of Edward Callahan, was discharged at Winchester.

Seven persons were killed and one injured when a C. & O. freight train crashed through the Guyandotte bridge near Huntington, W. Va., into the river, carrying the structure with it. F. V. Webber, engineer of Russell, this State, was among those killed.

#### Church Notes

It occasioned sincere regret on all sides when it became known that on last Sunday morning Rev. O. P. Bush tendered to his congregation his resignation as pastor of the local Baptist Church, to become effective on March 1st, at which time Bro. Bush will remove to Columbia, Adair county, to take charge of the church at that place.—Lancaster Record.

Of the synods of the Northern Presbyterian church, the following report one-fourth and more of their churches without pastors: Michigan, 25; Tennessee, 25; Kansas, 20; Wisconsin, 20; Indiana, 27; Kentucky, 27; Montana, 27; Oklahoma, 28; Oregon, 28; Nebraska, 30; Idaho, 33; Mississippi, 33; North Dakota, 33; Missouri, 36; Alabama, 43. There are a total of 1,928 vacant churches, and more than 10 per cent. of these have over one hundred members.

The Union Meeting began at the First Presbyterian church Sunday night with a large attendance, notwithstanding the inclement weather. Dr. Wm. Black, of North Carolina, who is doing the preaching, is a very forceful speaker and a strong man. His sermons so far have been greatly enjoyed by both old and young, and he has already won a place in the hearts of our people. Mr. Andrew Burr, also of North Carolina, has charge of the singing and as he has assisted him the best singers in the city, the music is a pleasing feature. The services are held at the First Presbyterian church at 10:45 a. m. and 7:15 p. m. and you are cordially invited to attend each and all of them.

Mother of Mr. L. E. Lane Dead. Mrs. M. S. Lane, mother of Mr. L. E. Lane, the Main street jeweler, died at her home in Mt. Sterling Thursday and the remains were laid to rest in the cemetery there the following day. Mr. Lane had the sad privilege of attending his mother's burial. While Mrs. Lane had been ill some time, she was not thought to be in a dangerous condition, and only the Sunday before, her son visited her and left her somewhat improved, he thought. A change came for the worse, however, and the good mother was called to join the silent majority in the land that is fairer than day. She was 76 years old and was a devout member of the Christian church since her childhood. Besides Mr. Lane, she leaves three other children, Mesdames J. W. Jones and Thomas Fassett, of Mt. Sterling; and Mary Metcalf, of Owingsville. Her death was due to a complication of troubles, together with old age.

Field Seeds. Field seeds at wholesale prices direct to the consumer. I have a full line of choice field seeds and can save you money on your Winter and Spring supply. Write to me for prices list and samples.

W. BUSH NELSON, Seedman, Lexington, Ky.

City Council Doings. The meeting of the city council on Thursday night was a rather tame affair, very little work of importance coming before that august body. Permit was granted the electric light company to run an electric wire through the streets of the city for the purpose of equipping an electric vehicle to be used in the case of fire. A license of \$200 was put on cinder, "hot shots" and soft drinks containing any per cent. of alcohol. A number of bills were ordered paid and considerable routine business was transacted.

#### MARRIED

A notable event in Lancaster society was the wedding last Saturday morning of Miss Norma Elmore, of that city, to Mr. R. Dunlap Blanton, of this county. The bride is a lovely young woman and has visited Richmond frequently, being a niece of Mrs. Jesse Cobb. Her father, Mr. J. W. Elmore, is one Lancaster's prominent business, while her mother is a daughter of the late lamented David Chenault of this city. Mr. Blanton is a son of Mr. W. L. Blanton, of Madison, and is a young man of sterling qualities. He is a nephew of Mr. Cobb and is engaged in railroad construction work in Eastern Kentucky, being in the employ of the Mason-Hanger Co. Both bride and groom are extremely popular and their marriage unites two splendid families. The Climax joins in with others in hearty congratulations to the happy couple.

Mr. Hardin Smith and Miss Mary C. Asher were married Thursday afternoon at 5 o'clock. The ceremony took place in the clerk's office and was said by Squire Dykes in his most impressive style. Both young people are well known, the groom being a son of Mr. and Mrs. William Smith, of N. Second street. His bride is the second daughter of Mr. and Mrs. William Asher, who reside on the Scanlon farm near town, and is an attractive young woman. The Climax joins in hearty congratulations to the happy couple.

Mr. William Hagan and Miss Hattie Galey, prominent and popular young people of the Kirksville section, were made one at the home of the bride on the 31st. The home was tastefully decorated and a delightful six o'clock dinner was enjoyed. Quite a number of the close friends and relatives were present. The Climax joins the many other friends of the happy young couple in wishing them all the good things that can come to them.

Little Richard Holland Dead. Richard Holland, the bright two-year-old son of Mr. and Mrs. Peter Holland, died at their home on Orange St., Friday. The parents are greatly cast down over the taking away of the idol of their home.

Good Picture of Manager Baxter. The Mutual Observer, a motion picture magazine published in New York City, contains a very good picture of Manager W. P. Baxter, of the Grand Opera House. In the picture with Mr. Baxter is his wife, Mrs. M. Florin Bratton, of Connersville, Ind., who visited Mr. and Mrs. Baxter last summer.

Burning Flue Causes Alarm. The burning out of a flue in Mrs. E. T. Burnam's home on Lancaster Avenue yesterday afternoon caused the fire alarm to be turned in. The fire company hastened to the scene but the blaze had spent itself when the boys arrived.

The Eucild Male Quartette will entertain at Normal Chapel Saturday night next, 11th. This is an excellent musical attraction and you will regret it if you miss it. See extended notice under "Normal Notes."

### County Court.

The inclement weather of Monday was responsible for the small crowd that came to attend county court. Business, however, was very brisk in all lines, cattle and mules bring extraordinary prices. The Madison Stock Yards report 2,300 head of cattle at the pens and all were readily sold at prices ranging from 4 to 6 1-2 cents per pound. A number of mules were also sold at the stock yards at exceptionally high prices.

### Broke Jail.

On Thursday night four prisoners confined in the Madison county jail took French leave, but one of them has already been arrested and brought back. The four are W. N. Lunsford, Coleman Traylor and "Buckskin" Dalton, Federal prisoners, and Buster Young, a county prisoner. Lunsford was arrested near Winchester, but the other three are still enjoying their freedom. Traylor and Dalton are Lincoln county products and are as tough a pair as one could find in a week's search. The boys secured their freedom by sawing off a lock and knocking off the screening over a window in the third story of the building. They then made a rope of the bed spreads and let themselves down. A reward of \$50 each is offered for the Federal prisoners and \$25 for the county prisoner.

### The Tobacco Market.

The tobacco market here has been the highest ever known and color grades are bringing the highest prices ever recorded in this city. The Madison Tobacco Warehouse Co. sold 140,000 lbs. last Thursday, opening day, at a general average of \$15.45. On Friday this house sold 40,000 pounds at an average of \$15.55. On Monday 145,000 pounds at an average of \$17.25, showing a gradual rise, especially in the color grades, but all grades have advanced and the prices obtained are considered very high. The crop of Curtis Bros., of Garrard county, sold at an average of \$29.50; the crop of Black and Asher sold at \$25.25 per hundred, the crop of Wm. Burrus sold at an average of \$23, and many crop lots above 20 cents. We are glad to have a market in our midst that is second to none in the country, both as to equipment and as to prices obtained for tobacco. The weather has been ideal for the handling and marketing of the weed.

### Mrs. W. R. Letcher Dead.

Mrs. W. R. Letcher, widow of W. R. Letcher for years a prominent business man and citizen of this city, died Sunday afternoon at the home of her daughter, Mrs. Rutherford Douglas, at Macon, Ga. The body was to arrive at the home of Mr. J. E. Greenleaf in this city at an early hour this morning and the burial will occur this afternoon in Richmond Cemetery, the hour to be announced later. Mrs. Letcher is survived by six daughters: Mrs. Rutherford Douglas, of Macon, Ga.; Mrs. William Montgomery, of Salt Lake City; Mrs. John Turner, of Campbellsville; Mrs. Robert Pogue, Cincinnati; Mrs. Albert McKay, of Macon, Ga.; and Mrs. Fred Herscher, wife of Lieut. Herscher, of the United States army. Mrs. Letcher was about 65 years old and was a most charming and elegant woman. She was a daughter of the late Singleton P. Walters, and was a highly cultured and much beloved by all who knew her. For years she had been a devoted member of the Presbyterian church and her work and her presence will be sadly missed. Her death is a severe shock to her many friends and relatives, who loved her very dearly for her many noble traits of character.
